

## Erratum

Erratum to the doctoral thesis “Studying user experience: issues and problems of mobile services. – Case ADAMOS: User experience (im)possible to catch?” by Arhippainen L.

The fig. 9 and fig. 39 contain errors. Two context areas are missing: Psychological and Technical contexts. The figure below is the correct version of the figures 9 and 39 (Usability & User Experience Framework (U<sup>2</sup>E-Frame)).
